

Sky Riders

Join the Sky Riders Snowmobile Club and help support the local community and the snowmobiling community. The Sky Riders support the local communities by donating to families in need during the Holidays and when possible we donate time and/or resources to help our own Sky Meadows.

We also support and interact regularly with our local groomer. By becoming a member of the Sky Riders, you can help give us a bigger voice into trail grooming schedules that benefit the hundreds of snowmobilers that are based in Sky Meadows.

On a larger scale, when you become a Sky Riders member you also become a member of the Washington State Snowmobile Association (WSSA). In addition, we support The Snowmobile Alliance of Western States (SAWS). Both WSSA and SAWS work tirelessly at the local and state levels to preserve snowmobile access on our public lands.

The Sky Riders also hold a number of fun events each year. During the winter months we have pot luck dinners/deserts, a play day, a fun (poker) run and some group rides. In the off-months, we do trail clean-ups, trail brushing and hold our annual Hit & Giggle Golf Tournament (suited for beginning and experienced golfers).

Come join us, have fun and support both the community and snowmobiling in the State of Washington. We are based in Sky Meadows and most events we do are right here. Contact Betty Nance, Membership @ 509-674-5581, James Martonik, President @ 206-321-6107 or Dave Chambers, Vice President @ 206-249-1519.
